ORBERT DAVIS SOUL MIGRATION

The ETHS Jazz Festival is excited to welcome Orbert Davis, jazz trumpeter and founder of the Chicago Jazz Philharmonic, as our evening talent and featured guest artist. Orbert's composition for the performance, titled "Soul Migration," draws on the stories of some of the 6 million African Americans who took part in what is known as the Great Migration, moving from the rural south to the industrial north beginning a century ago. Premiered at the 2016 Chicago Jazz Festival, "Soul Migration" features an octet of musicians from Orbert's Chicago Jazz Philharmonic.
