REGISTERING FOR BAND AT ETHS

[January 17th & 18th - Course Selection Night](#)

In January, you will be invited to ETHS to sign up for classes! You will be mailed information about registration in late December/early January. As Freshmen, you will be asked to choose your elective classes on this important evening!

To Get Band on your Schedule:

- 1) Choose BIOLOGY – it's a double period, which provides you with a Study Hall on days you are not in the lab. This also builds in the required Freshmen Advisory into your double period, so you don't lose an elective choice!
- 2) Choose BAND – do it.....all of your friends are doing it.....
- 3) Choose a WORLD LANGUAGE

WELCOME TO ETHS!

We Can't Wait To Have You!
